

UNDERSTANDING DYSLEXIA

Dyslexia is a language-based learning difficulty, primarily affecting the ability to learn to read, spell, express thoughts on paper and acquire adequate use of grammar.

This course is recommended for people with some experience in the field of education as well as for students and parents interested in working in inclusive educational settings.

COURSE OUTLINE What is dyslexia? | The differences between dyslexia and literacy difficulties | Who can diagnose dyslexia? | Indicators of Dyslexia | Causes of Dyslexia | How to support the child with dyslexia in class

Oakley House Training and Support Centre, 68 Myburgh Rd, Diep River
